

MEASUREING FORM (Use in conjunction with the **Measurement Guide Pages**)

Name _____ Fax number: (____) _____

e-mail: _____ Phone: (____) _____

Circle Room: Kitchen...Bathroom...Media...Other _____

What are your walls made of? (circle one) Drywall Plaster Other _____

ABOVE THE FINISHED FLOOR: It is important to note whether you are changing your existing floor? Y/N _____. When you remove old cabinets, there will be a footprint created by any flooring that was installed up to the cabinet toe boards. If you are **not** planning to install a new floor, this footprint will have to be followed for the new design. Be sure to include dimensions of your cabinet footprint on the floor plan. New floors are usually installed under the cabinet boxes. Please consider finished floor changes and soffit changes when you enter the ceiling height (CH) in your drawing.

What appliances are you keeping or buying new. **If you are buying new, be sure to note the make and model numbers so we can obtain the manufacturer's specifications.**
